JOHN GILLIAT – for a sample visit www.JohnGilliat.com

Playing guitar since the age of 9, John has spent years and thousands of hours perfecting his trade. In 1995, John won “Best Acoustic Guitar Performance” in the Music West Star Frets Competition. He also won Vancouver’s Unplugged competition in 1996 and in 1997 he became a finalist in Vancouver’s Global Star Quest.

“The style is called “nouveau flamenco” and Langley acoustic guitarist John Gilliat is blazingly good at it. Light a candle, pour some camomile and don’t wonder how he moves his hands so fast or you’ll just stress.”
John P. McLaughlin – The Vancouver Province

JANA SEALE – for a sample visit www.JanaSeale.com

In April 2006 Jana began performing aboard the Norwegian Star cruise ship.

In June of 2006, the producers of the Rosie O’Donnell RFamily Cruise scouted the ship’s talent, and Jana was asked to perform in the central lounge for the duration of Rosie’s cruise. Other entertainers included Cyndi Lauper and Broadway diva Audra MacDonald.

“...Seale’s marvelous voice slides effortlessly from growly, tough-edged blues to sultry sophisticated jazziness...”
Acclaimed Calgary singer/songwriter Tom Wilson

“Her voice just floats in the room...”
Jim Creeggan (Barenaked Ladies)
