RAM ANNUAL CASH DRIVE (DONATION)

OUR 2010-2011 FUNDRAISING GOAL IS \$25,000

RAM's goal is to raise money for:

Providing Montessori materials for our children's classrooms

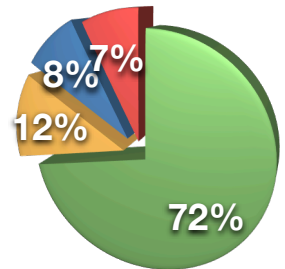

Helping our teachers in their professional development, specific to Montessori education.

Montessori materials are NOT funded by the Richmond School District.

Funds raised last year were almost \$3,000 less than the previous year. Fewer funds raised means fewer resources in our classrooms. To achieve our goals, we need your donations and support!
