

# RAM EYE EXAM FUNDRAISER

October is eye health month and the Canadian Association of Optometrists wants everyone to think about their eyes and their annual eye exam. Dr. Lloyd Ho – a RAM parent – wants to encourage all children in the Montessori program to have an eye exam. To promote eye health month, **Dr. Lloyd Ho will donate \$20 to RAM for every Richmond Montessori child that completes their eye exam at his office during the month of October.**

- WHAT:** Eye Exam for your Child
- WHEN:** During the Month of October
- WHERE:** Dr. Lloyd Ho & Associates Optometry Centre located inside Richmond Centre mall, near the bay, next to LensCrafters
- COST:** Covered by BC Care Card, if your child has not had an eye exam in the last 12 months.
- HOW:** Call (604)276-8557 to reserve your time. Appointment spaces are booked in advance and drop in appointments are not usually available. Dr. Ho will accommodate as many appointments as possible in the month of October. Please specify that you are booking with Dr. Ho, and tell them your child attends one of the Montessori schools.

**WHAT TO BRING:** Bring your child’s BC Care Card and their glasses (if any) with them to your appointment. Also, bring this notice, with the bottom portion completed so that Dr. Ho can keep track of the donations.

Take advantage of this wonderful opportunity to support your child’s eye health and their Montessori education at the same time.
