Richmond Montessori Family Membership 2011-2012

Parents are vital partners in their children's education. Study after study show that parental involvement is a major factor in a child's academic success.

It is time for our annual Montessori Membership Drive. As a registered organization, we are required by law to maintain annual paid memberships. The Montessori program is dependent on parent funding. It is critical that ALL Montessori families join RAM so that all our children can benefit. The membership for 2011-2012 year is \$60.00 per family.

WHY BECOME A MEMBER:

The Richmond School Board does **NOT** subsidize or pay for any Montessori materials that are essential for our Montessori classrooms. The money raised from our membership drive is used as follows:

- Purchasing of Montessori Materials for every Montessori class. These materials are an essential part of the prepared environment. The Montessori trained teacher, using the Philosophy & Psychology of the Montessori Methodology, becomes the dynamic link between this environment and the learning situations for our children in all the grades.
- Subsidizing Montessori teachers for training, seminars and conferences as enhancement and further development in the application of the Montessori Philosophy.
- Repaying the School Board Loan, which was used for Montessori materials.

Become a member and help your child by becoming involved. Together we can make a difference for our children by supporting their academic success.

Membership forms with membership fee can be
