previous meeting) were reviewed, and approved (moved by Danny and seconded by Kanny for the January 28th

minutes, moved by Danny and seconded by Faye for the April 14th minutes, and approved and carried).

Demonstration: Ms. Gourlay of McKinney demonstrated for those in attendance a tool that uses triangle geometry to display the types

of triangles using sides of varying lengths.

Administration: The school administrators mentioned the following notable items:

Schools took part in Innovation, where each school has projects using various skills and demonstrations, and are
able to see what other schools are innovative in.

- Welcome to Kindergarten session to be held or held already.
- Schools had Bike to School week.
- McKinney is going through process about possible school closure, where trustees and superintendents visit
 each school to discuss and assess.
- Child placement taking place for all schools.
- Dates for next year (Pro-D days, breaks, etc.) are out.
- There are new administrators next year Gregory Walters (principal at Steves), Susan Roy (principal at McKinney), and Harley Rollins (vice-principal at McKinney).

Treasurer:

Kanny mentioned that other than bursary or funding requests and payments, not much has happened since the last meeting. A budget for the following year should be completed for the coming school year. Liz suggested that a new budget format could be developed that is simpler to see and interpret.

Featured Discussions:

Bursaries The following applications were discussed and approved:

- By Monica Sood, \$1,258.35 for the remainder of the first year of the VSB/Vancouver Board of Education Montessori Credential Program (Yolanda moved, Danny seconded);
- Garden City Collaboration of five teachers for a full day for up to \$2,000 (Kanny moved, Danny seconded);
 and
- Dawn Lessoway, \$100 for registration in a Montessori conference in West Vancouver earlier this year (Danny moved, April seconded)

Given that this year was the first with the current bursary structure, a discussion about how to improve guidelines took place. Suggestions include:

- Creating a history list of bursaries by teacher;
- Having a limit per person for bursaries, but if there is money left over, can pay more;
- Separating bursary from collaboration, where bursary is individual and collaboration is a group.
