Message from the Chair

Welcome back to school parents and students! And welcome to the new parents of the Kindergarten classes!

RAM has had a very busy summer. One of our goals this year is to improve communication with our parents while saving some trees - You should have received an email sign-up sheet to receive future newsletters and notifications electronically. Please send it back to your school at your earliest convenience.

We have also revamped our website with a fresh new look and have made it easier to navigate and to find information. Check it out at: www.richmondmontessori.ca

Over the summer, RAM has completed our discussions with the school district regarding their involvement in the Montessori program. We are pleased to announce that for this school year, the school district will provide funding of \$4,000 to each of the Montessori schools!

As many parents understand, the Montessori program is material based. The specialized materials that our children use every day in their classrooms are expensive and, when damaged, need repair or replacement. These materials are essential to the program that we've chosen for our children. RAM is committed to assist the school district and continue to raise the needed funds to support the program in terms of teacher bursaries, teacher training, and additional materials as needed.

We are very excited to work together with the school district and the school administration to better improve the Montessori program in Richmond. Together we make a difference in our children's education and ensure that the Montessori program is the best that it can be!

~ Yolanda Domingo, RAM Co-Chair
~ Danny Yee, RAM Co-Chair
